

PARTS PROGRAM CONTRIBUTION CALCULATOR

Based on 2010 statistics, operators enrolled in the Motorcoach Council's Coach Vendor Parts Program made the following range of contributions:

- ❖ Operators with 0-9 coaches contributed approximately \$1-5/month (\$60/yr)
- ❖ Operators with 10-19 coaches contributed approximately \$25/month (\$180/yr)
- ❖ Operators with 20-39 coaches contributed approximately \$50/month (\$600/yr)
- ❖ Operators with 40+ coaches contributed approximately \$60-210/month, or between (\$720-2200/yr)

To determine your company's estimated annual contribution, multiply your net annual parts purchases by .005.

NOTE: Participation in the Council's Coach Vendor Parts Program will not interfere with other vendor discount programs (i.e. Trailways, IMG, etc.).
